Partial corrections to the Form 6-Ks furnished on September 24, 2019 and December 13, 2019

In connection with the preparation of the Company's consolidated financial statements as of and for the year ended December 31, 2019, the Company determined that, due to inadvertent errors, certain adjustments needed to be made to the unreviewed and unaudited condensed consolidated financial statements for the six months ended June 30, 2019 and the nine months ended September 30, 2019 furnished on Form 6-K to the United States Securities and Exchange Commission (the "SEC") on September 24, 2019 and December 13, 2019.

The Company corrected the use of net basis rather than gross basis to record revenue earned from certain technical service fees for the six months ended June 30, 2018 and 2019 and the nine months ended September 30, 2018 and 2019.

The Company corrected the recognition of financial guarantee liabilities, financial guarantee assets, revenue recognized related to releasing of guarantee liabilities and cost on guarantee for the six months ended June 30, 2019 and the nine months ended September 30, 2019.

The Company furnishes this Form 6-K in order to correct the errors.

Although the impact of the corrections on its six months ended June 30, 2019 and nine months ended September 30, 2019 unreviewed and unaudited condensed consolidated financial statements were affected, the Company's full year unreviewed and unaudited condensed consolidated financial statements of 2018 and 2019, which were included in the Form 6-K furnished to the SEC on June 16, 2020, were not affected.

The tables below illustrate the effects of adjustments made to the unreviewed and unaudited condensed consolidated statements of operations and comprehensive income (loss) data for the six months ended June 30, 2018 and 2019 and nine months ended September 30, 2018 and 2019:
